

XENTRY Tips mobile for smartphone and tablet

Benefits from XENTRY Tips mobile:

- Topic search is possible right by the vehicle
 - Mobile, fast and intuitive access to all XENTRY Tips functions
 - Create Tips cases or start a case and handover to XENTRY Tips
 - Use of the mobile device including camera/recordings during case creation
- ➔ Increased efficiency in workshop operations

FIN Scan:

- Add VIN by scan or text input. For this, please grant access to the camera/gallery/data storage!
