

Data release for independent service providers - Truck

In order to allow independent service providers to **access the telediagnosics data** of your vehicle, please follow these 4 steps.

- 1 Open the **MB Uptime Portal** via: <https://www.uptime-info.mercedes-benz.com/>
Then navigate to „Settings“ or follow this link directly: <https://www.uptime-info.mercedes-benz.com/en/settings/>
- 2 In the settings menu, select **Customer consent for independent service providers** and log in with your mail and password.

- 3 After logging in, you must enter the VIN of the vehicle for which you want to allow access to telematics data.

- 4 In order to provide access to the desired service provider, enter the **Dealership ID number**.
You can obtain this number from your Service Advisor in the dealership.

Release of telediagnosics data for independent service providers

Consents you have given for your vehicle

You do not yet have any consents for independent service providers.

Add new service provider

Dealership ID number **Add**
